

## PRODUCT OVERVIEW

### Innofader

By popular demand from the scratch DJ community, there is now an Innofader option for Xone:23, Xone:23C, Xone:43, and Xone:43C mixers.

As the crossfader can be the focus for some DJ's performance tricks, the Innofader offers further adjustability and feeling to create that custom user experience at your fingertips.

The Xone:23 and Xone:23C Innofader can be ordered under part number 004-504JIT
