Sonos Black Stand Pair For One And Play:1 - SS1FSWW1BLK

Place your Sonos One or Play:1 surrounds with this pair of custom-designed stands.

Key Features:

- Stem and base seamlessly hide power cable
- Bumpers securely hold speaker in place
- Designed to perfectly match Sonos One
- Solid frame won't teeter or wobble
- Easy to assemble

Features:

- **No more mess of cords**
An indentation in the stem seamlessly hides the speaker's power cable, and the base includes a wraparound solution for excess slack.
- **Optimized for sound**
At 33", these stands are the optimal height for surround speakers in your home theater setup.
- **Safe and secure**
The enhanced stability of the base keeps the stand steady and upright, even when bumped by kids or pets. Bumpers on the platform keep your speaker firmly in place.
- **An elegant design**
Featuring the same color, material, and finish as Sonos One, these stands become extensions of your speakers and feel more like sophisticated home furnishings than utilitarian tech accessories.
