

PRODUCT OVERVIEW

LABEL PRINTER TAPES

For labeling panels, blocks, faceplates, shelves, bins, beams and more, Permanent Flat Surface labels have a glossy finish that leaves your work looking professional. Constructed of polyester material and coated with industrial-grade adhesive. Available in smaller widths down to 6mm to fit in tight spaces.

DYMO XTL PERMANENT FLAT SURFACE LABELS

- For labeling panels, blocks, faceplates, shelves, bins, beams and more
- Durable thermal transfer printing technology, label text won't smear or fade
- For use with DYMO XTL label makers only
- Industrial-strength labels withstand the toughest conditions, moisture, chemicals, a wide range of temperatures, UV light and more
