

## THE LENOVO® THINKCENTRE® E93z ALL-IN-ONE

### THE ALL-NEW THINKCENTRE® E93z — THE DESKTOP EVOLVED

Introducing the latest evolution of the ThinkCentre® AIO to accelerate the growth of your business.

## TOP REASONS TO OWN

### DESIGN

**ThinkCentre® UltraFlex Stand**  
Maximum adaptability to any work style

**Sleek, Modern Design**  
A centerpiece for your office

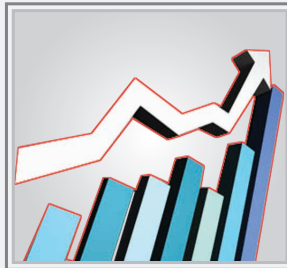

**Physical Camera Switch**  
To ensure your privacy

### PRODUCTIVITY

**Lenovo® Solution for Small Business**  
Maintenance and security

**Intel® Small Business Advantage (SBA)**  
Boost your business' security and productivity with Intel® SBA

**HDMI Display Mode**  
Use the E93z as a 1080p display via HDMI-in

The all-new ThinkCentre® E93z evolves the business desktop. Its ThinkCentre® UltraFlex Stand combines full-range height, tilt, swivel and recline together with the E93z's Full HD Infinity 10-point multitouch Display to maximize user productivity and creativity. Worried about privacy? An innovative camera switch will physically block the E93z's webcam to prevent unauthorized recording when discussing confidential materials. And if extra display space is ever needed, the E93z's built-in HDMI in and out ports allows the All-in-One to turn into a brilliant 1080p display for any HDMI-enabled device, as well as connect to an additional screen to let you see more and do more.

## THE LENOVO® THINKCENTRE® E93z ALL-IN-ONE

### POWER AND PERFORMANCE

- Windows 8.1 for an optimized touch experience
- The E93z is powered by 4<sup>th</sup> generation Intel® Core™ processors with optional 1GB discrete NVIDIA® GeForce® graphics so you can tackle even the toughest tasks
- Up to 1TB 2.5" HDD for large volume storage needs and enhanced system performance with available SSHD options
- With support for up to 16GB of blazing-fast 1600 MHz memory, the E93z can handle any project you throw at it
- An eye-popping 21.5" Full HD display with 10 pt multitouch lets you not only realize your vision, but also interact with your PC like never before

### MANAGEABILITY SOLUTIONS

#### Lenovo® Solutions for Small Business

- Software Monitor—optimized protection providing constant alerts and software updates
- After-hours Maintenance—schedule maintenance at your convenience
- Energy Saver—allows you to optimize your desktop's power consumption
- USB Blocker—lets you protect your data from security threats

#### Intel® Small Business Advantage

- Software Monitor—optimized protection providing constant alerts and software updates
- After-hours Maintenance—schedule maintenance at your convenience
- Energy Saver—allows you to optimize your desktop's power consumption
- USB Blocker—lets you protect your data from security threats

### ENHANCED PRODUCTIVITY AND MANAGEABILITY

- The ThinkCentre® E93z is Microsoft Lync qualified, guaranteeing you the best possible VOIP experience for your business
- Stream HD video wirelessly to large displays via Intel® WiDi<sup>1</sup>
- Multitask and manage multiple active displays with the View Management Utility (VMU) software
- Spend more time doing and less time charging with an on-board USB fast-charge port, up to 2.8x faster than a standard USB port
- Unique webcam privacy switch physically blocks your camera while conferencing to protect your organization's confidential materials

### EASE OF USE

- Maintain a clean workspace. All you need to get the E93z up and running is a single power cable and less than 3 minutes!
- Four available stand options with the dynamic ThinkCentre® UltraFlex Stand, allows you to adapt the E93z to any environment
- Convenient carrying handle lets you move the E93z around effortlessly
