

PRODUCT OVERVIEW

The always reliable Dymo S0722440 multipurpose label tape is an ideal labeling option for workplaces. Boasting individual adhesive labels that are 70mm by 54mm, this Dymo S0722440 70mm x 54mm large multi-purpose label tape can safely label most office equipment. It comes with a white background, so darker text is clearly visible. Customers will get the maximum performance out of the Dymo S0722440 labels, as the permanent adhesive is extremely durable, but also simple to remove. In addition, there are a total of 320 labels per roll, so the Dymo large multipurpose label is an excellent value for money.

- Packed in rolls, so that you can print one label or hundreds with ease
- Crisp printing for easy readability
- Leave no residue when removed
- Compatible with all Dymo LabelWriter label printers
- One roll of 320 labels
- Colour: White
