

PRODUCT OVERVIEW

The Dymo LabelWriter_x0099_ Small Lever Arch File Label has a non-permanent adhesive backing that can be removed easily from the applied surface. The Dymo LabelWriter Small LAF Labels provide stylish, custom labels with a great size of 190 mm x 38 mm that is ideal for long addresses, file management, and organization in your home or office. Each label peels off easily without leaving residue and can be printed just one at a time if needed for less waste and no jams. They use a thermal transfer technology to print texts which eliminates the need for ink and toner. Packaged with one roll of 110 labels meaning you have a cost-effective solution to your labeling needs.

- Permanent adhesive labels.
- The direct thermal printing process eliminates the need for ink and toner.
- Text resists smudging, smearing and fading.
- Packed in rolls, so that you can print one label or hundreds with ease.
- Compatible with Dymo LabelWriter Printers.
