If you're sick of reloading the printer endless times during the day, it may be time to invest in a larger input or feeder tray. The 250 Sheet Paper Cassette Unit (C12C817011) from Epson can massively increase the holding capacity of your printer and ensure that it is capable of accommodating those massive print jobs without requiring quite so many reloads.

Adding the 250 Sheet Paper Cassette Unit (C12C817011) to your Workforce Pro WF-5110DW, Workforce Pro WF-5190DWF, Workforce Pro WF-5620DWF, Workforce Pro WF-5690DWF, Workforce Pro WF-M5190DW, Workforce Pro WF-M5690DWF, Workforce Pro WP-4015DN, Workforce Pro WP-4095DN, Workforce Pro WP-4095DN, Workforce Pro WP-4515DN, Workforce Pro WP-4525DNF, Workforce Pro WP-4595DN printer could not be simpler, just quickly affix the tray to the designated joint. Epson have developed the accessory to perfectly complement the compatible machines – perfect when time is of the essence and you need to quickly and effectively increase your printer's capacity.

Unless the office requires a better-performing machine, any paper handling and capacity problems can be quickly and effectively solved by adding extra feeders and trays. This can prove to be a much more cost-effective and equally effective solution than investing in a whole new machine.

Unlock the true potential of your printer with the help of Printerland's extensive range of accessories. More than just additional trays and feeders, we stock a huge range of add-ons which can help update your trusted old machine, helping it reach peak performance and compete with newer models.

If you're looking to improve your printer's ability, the Printerland team can help direct you in the right direction. Completely impartial and hugely experienced, our customer care specialists will listen to your print requirements and help you find the printers and the parts which best suit your needs.
