

Headphone

Driver Type	Dynamic
-------------	---------

Magnet Type	Neodymium
-------------	-----------

Design	Over-Ear (Circumaural)
--------	------------------------

Earcup Style	Open-Back
--------------	-----------

General

Frequency Response	12 Hz to 39.5 kHz
--------------------	-------------------

Sensitivity	101 dB
-------------	--------

Impedance	120 Ohms
-----------	----------

Maximum Power Handling	200 mW
------------------------	--------

Connectivity

Audio Connector to Source	1/8" / 3.5 mm
---------------------------	---------------

Adapter (Included)	1/4"
--------------------	------

Cable

Cable Conductor Material Oxygen-Free Copper

Cable Length 9.8' / m

Physical

Weight 8.3 oz / 235 g

Packaging Info

Package Weight 1.8 lb
