

Item

Wireless microphone system

Size and weight details

Microphone: 5.1 cm 23 cm / 195 g

Colour

Black

building Materials

tuck

Max. operating Distance

20 m

microphone

Connectivity Technology

wireless

Frequency Response

40 - 20000 Hz

Signal-to-Noise Ratio

105 dBA

Total Harmonic Distortion (THD)

0.8%

Wireless link

Radio Frequency Range

660 - 865MHz

modulation

FM

Various

Optional equipment included

Receiver unit, microphone holder

Power supply

Battery

1 x battery - AA type

Included number

1

Lifetime (until)

30 hour (s)
