

AKG LC617 MD Specs

Microphone

Sound Field	Mono
Capsule	Electret Condenser
Polar Pattern	Omnidirectional

Performance

Frequency Range	20 Hz to 20 kHz
Maximum SPL	Omnidirectional: 115 dB SPL Peak
Impedance	Omnidirectional: 200 Ohms
Load Impedance	2000 Ohms
Sensitivity	Cardioid: 7 mV/Pa
Signal-to-Noise Ratio	Omnidirectional: 60 dB A-Weighted
Equivalent Noise Level	Omnidirectional: 34 dB A-Weighted

Connectivity

Output Connector	Microdot
------------------	----------

Cable Length	0.75" / 19 mm
--------------	---------------

Power

Operating Voltage	1 to 10 V
-------------------	-----------

Operating Current Consumption	500 μ A
-------------------------------	-------------

Physical

Length	0.75" / 19 mm
--------	---------------

Diameter	0.33" / 8.5 mm
----------	----------------

Weight	0.19 oz / 5.3 g
--------	-----------------
