

# AKG LC617 MD Specs

## Microphone

---

Sound Field	Mono
Capsule	Electret Condenser
Polar Pattern	Omnidirectional

---

## Performance

---

Frequency Range	20 Hz to 20 kHz
Maximum SPL	<b>Omnidirectional:</b> 115 dB SPL Peak
Impedance	<b>Omnidirectional:</b> 200 Ohms
Load Impedance	2000 Ohms
Sensitivity	<b>Cardioid:</b> 7 mV/Pa
Signal-to-Noise Ratio	<b>Omnidirectional:</b> 60 dB A-Weighted
Equivalent Noise Level	<b>Omnidirectional:</b> 34 dB A-Weighted

---

## Connectivity

---

Output Connector	Microdot
------------------	----------

---

Cable Length	0.75" / 19 mm
--------------	---------------

---

## Power

---

Operating Voltage	1 to 10 V
-------------------	-----------

---

Operating Current Consumption	500 $\mu$ A
-------------------------------	-------------

---

## Physical

---

Length	0.75" / 19 mm
--------	---------------

---

Diameter	0.33" / 8.5 mm
----------	----------------

---

Weight	0.19 oz / 5.3 g
--------	-----------------

---
