|                               |                                      |
|-------------------------------|--------------------------------------|
| Monitor Size                  | 19 inch (411mm * 336 mm)             |
| Viewable image size           | 19-inch (479.958 mm)                 |
| Maximum viewable area (W x H) | 374.784 (H) x 299.827 (V)            |
| Native Resolution             | 1280 x 1024                          |
| Contrast ratio (typical)      | 1000:1                               |
| Brightness (typical)          | 250 cd/m2                            |
| Aspect Ratio                  | 5 : 4                                |
| Pixel pitch                   | 0.0976 RGB (H) x 0.2928 (V) mm       |
| Colors                        | 16.7 million                         |
| Horizontal viewing angle      | 178 degrees (at 10:1 contrast ratio) |
| Vertical viewing angle        | 178 degrees (at 10:1 contrast ratio) |
| Response time (typical)       | 7 ms                                 |
| Video input                   | VGA, DVI-D                           |
| Signal cable - VGA            | 1.8 m                                |
| SYNC Type                     | Separate TTL                         |
| SYNC on Green                 | No                                   |
| Bezel width (left & right)    | 17.4 mm                              |
| Tilt                          | -5~30 degrees backward               |
| Swivel                        | -45~45 degrees                       |
| Lift                          | 110 mm                               |
| Pivot                         | 0~90 degree, clockwise               |
| Soundbar Attachment           | Optional Soundbar separately         |
| VESA mount                    | 100 x 100 mm                         |
| Kensington lock slot          | Yes                                  |
| OSD                           | Yes                                  |
| OSD languages                 | 8                                    |
| Preset display modes          | 20                                   |
| User-defined display modes    | 20                                   |
| VESA DDC capable              | 2B/CI                                |
| Power supply                  | Internal power adapter               |
| Power cord                    | 1.8 m                                |
| ISO 9241-307 compliant        | Yes                                  |
