

GW INSTEK APS-7050 - Power supply: programmable laboratory; AC,linear; 0÷310V; 4.2A

TME Symbol:	APS-7050
Manufacturer part number:	APS-7050
Manufacturer:	GW INSTEK
Category:	Programmable Power Supplies
Gross weight:	27.9 kg

Specification

Manufacturer	GW INSTEK
Type of power supply	programmable laboratory
Kind of power supply	AC , linear
Kind of display used	TFT 4,3"
Output voltage	0...310V
Output current	4.2A
Power	500VA
Frequency	45...500Hz
Protection	thermal , anti-overload
Plug variant	EU
Dimensions	430x88x400mm
Weight	24kg

Kind of power supply:

- AC
- linear

Interface:

- LAN
- USB

Protection:

- thermal
- anti-overload

Measuring instrument features:

- arbitrary waveform
- memory for 10 settings
