

**GW INSTEK MSO-2204E - Oscilloscope: mixed signal;
Channels: 4; ≤200MHz; 1Gps; 10Mpts**

| | |
|----------------------------------|-----------------------|
| TME Symbol: | MSO-2204E |
| Manufacturer part number: | MSO-2204E |
| Manufacturer: | GW INSTEK |
| Category: | Digital Oscilloscopes |
| Gross weight: | 4.65 kg |

Specification

| | |
|-----------------------------|------------------------------|
| Manufacturer | GW INSTEK |
| Type of oscilloscope | mixed signal |
| Number of channels | 4 |
| Band | ≤200MHz |
| Sampling | 1Gps |
| Kind of display used | TFT 8" (800x480) |
| Trigger modes | automatic , normal , single |
| Time base | 1n...100s/div |
| Rise time | ≤1,75ns |
| Max. input voltage | 300V |
| Vertical resolution | 8bit |
| Memory record length | 10Mpts |
| Input coupling | AC, DC, GND |
| Trigger coupling | AC , DC , lowpass , highpass |
| Input sensitivity | 1mV/div...10V/div |
| Dimensions | 384x208x127.3mm |
| Weight | 2.8kg |
| Manufacturer series | MSO-2000E |
| Input impedance | 1MΩ/16pF |

Trigger modes:

- automatic
- normal
- single

Trigger coupling:

- AC
- DC
- lowpass
- highpass
