

**GW INSTEK PEL-3031E - Electronic load; 1÷150V; 0÷60A;
300W; Man.series: PEL-3000E; 7.5kg**

TME Symbol:	PEL-3031E
Manufacturer part number:	PEL-3031E
Manufacturer:	GW INSTEK
Category:	Electronic Loads
Gross weight:	10.31 kg

Specification

Manufacturer	GW INSTEK
Type of device	electronic load
Operating current	0...60A
Maximum power	300W
Manufacturer series	PEL-3000E
Dimensions	213.8x124x400.5mm
Kind of display used	LCD 3,5" , color
Power supply	100...240V AC, 47...63Hz
Operating modes	constant power , constant resistance , constant power+voltage , constant voltage , constant current , constant current+voltage , constant resistance+voltage
Weight	7.5kg
Operating voltage	1...150V

Kind of display used:

- LCD 3,5"
- color

Interface:

- GPIB (option)
- USB

Operating modes:

- constant power
- constant resistance
- constant power+voltage
- constant voltage
- constant current
- constant current+voltage
- constant resistance+voltage
