

Laney L412

The L412 is as outstanding as the L50H is unique.

Designed and engineered to complement the L50H's sonic output each L412 is manufactured from high-grade premium marine plywood and loaded with 4 12" Celestion G12 Heritage drivers which together can handle 120 Watts RMS of great vintage tone.

Finished in the same Marine Blue/Beige livery as the L50H and the rest of the Lionheart range the L412 comes with castors as standard and a protective embroidered slipcover

Lionheart – Just Play It!

Seria LIONHEART
