

TET015EU | Targus 15.6 inch / 39.6 cm Platinum Universal Top Loading Case

The Targus Platinum Universal Top Loading Case is the ultimate leather case packed with numerous features for the corporate professional. The Platinum Universal is constructed from leather and 1680D nylon for durability and style. It is designed to fit notebooks with up to 15.6" screens. Featuring the patented Targus SafePort® Sling Protection System it provides maximum protection for your notebook. The case also has a spacious zip-down workstation equipped with two business card holders (one for your own and one for those collected), 3 pen loops, media storage, key clip, a mesh storage pouch and an accessories pouch. A large file section is included with two dividers and a back slip pocket to accommodate your storage needs. And finally a clothing compartment for overnight travel.

This notebook case also includes ergonomically designed handles, a comfortable ergonomic shoulder strap, a removable pouch, a concealed side pocket with mesh water bottle holder and a trolley strap for easy attachment to rolling cases.
