

# Targus Ergo D-Pro Laptop Stand

AWE05EU

## Description

The Ergo D-Pro Notebook Stand has multiple tilt positions to hold your notebook in a vertical position to allow the notebook LCD to be used as the display. The height adjustment feature ensures you position the LCD screen in the most ergonomic position for your eye-line. Additional features include a compartment that can store a mobile docking station or USB hub and a document holder which is positioned directly in front of the notebook user. A rotating base is also included to allow you to share your notebook screen with someone sitting next to you. Compatible with all PC and Mac notebooks up to 17". Must be used in conjunction with a separate keyboard.

## Features

- Allows notebook screen to be raised to varying positions to suit individual user eyeline
- Allows loose papers to be neatly placed at the correct eyelevel
- Provides seamless integration for use with Mobile Docking Station
- Allows the user to secure notebook stand and peripherals. Compatible with the Targus Video Port Lock
- Cooling Sleeves Provide optimum notebook cooling
