

# Audio-Technica ATH-R70x Specs

## Headphone

---

Driver Size	1.8" / 45 mm
-------------	--------------

---

Design	Over-Ear (Circumaural)
--------	------------------------

---

Earcup Style	Open-Back
--------------	-----------

---

## General

---

Frequency Response	5 Hz to 40 kHz
--------------------	----------------

---

Sensitivity	99 dB
-------------	-------

---

Impedance	470 Ohms
-----------	----------

---

Maximum Power Handling	1000 mW
------------------------	---------

---

## Connectivity

---

Audio Connector to Source	1/8" / 3.5 mm
---------------------------	---------------

---

## Physical

---

Weight

7.40 oz / 210 g

---
