

Overview

A perfect introductory performance mic, the high-output MB 1k/c is designed for use as a lead, backup, or choral vocal microphone. Supplied with a 15' cable, it features Audio-Technica's Hi-ENERGY® neodymium magnet structure for maximum output and fast transient response, lockable MagnaLock™ switch design for silent on/off operation, and a corrosion-resistant gold-plated XLRM-type connector. It is also available without a cable as MB 1k; and in the stage-ready MB 1k/pack along with a durable tripod microphone stand that folds for easy transport, a professional Quiet-Flex™ stand clamp for flexible positioning, and a heavy-duty 20' XLR-type cable [Read less overview](#)
