

Specifications

Product type	PA Power Amplifier Accessories
Type	Loading Dock with Power Cable
Connections Loading Dock	Low-voltage socket , multipin
Operating Voltage Loading Dock	20 - 40 V DC
Protection Features Loading Dock	current limiter
Dimensions (W x H x D) Loading Dock	81 mm x 125 mm x 106 mm
Weight Loading Dock	0.31 kg
Input Voltage Power Cable	100 V AC - 240 V AC, 50 - 60 Hz
Input Connector Power Cable	ICE Connector male
Rated Output Voltage Power Cable	24 V
Output Current Power Cable	5 A
Protection Features Power Cable	over-current , power supply overload , short circuit , thermal overload
Indicators	power LED
Dimensions (L x W x H) Power Cable	167 mm x 67 mm x 35 mm
Weight Power Cable	0.62 kg
