

## Features of Acer Nitro 5 Series

Explore and enjoy a new level of gaming with the powerful Nitro 5. The solid, understated design houses a lightning-quick FHD IPS screen and a lineup of impressive tech that enhances every aspect of gameplay.

### Visual Intensity

Explore games in greater detail with the sharp visuals of a 17.3 or 15.6-inch FHD IPS display. Enjoy smooth, blur-free gameplay with a 144Hz<sup>1</sup> refresh rate and a 3ms response time<sup>1, 2</sup>. We've boosted the screen-to-body ratio to 80% with narrow 7.02mm bezels<sup>1</sup> and provided lifelike colors using a 72% NTSC, 300 nits panel

### Coolness Under Fire

When heavy use requires an added boost, chill out with twin fans, Acer CoolBoost™ technology and quad exhaust port design. CoolBoost™ increases fan speed by 10% and CPU/GPU cooling by 9% compared to auto mode. Monitor and manage your system in real time with NitroSense, covering temperatures, fan speeds and more.

### Breaking the Sound Barrier

Better audio delivers a competitive edge as well as a more immersive experience through dual 2W speakers. With DTS:X® Ultra, sounds are clear and can be delivered in a 3D spatial soundscape,,allowing you to hear where your opponents are coming from with pinpoint precision.

### Ports Aplenty

Plug all your peripherals into the full range of ports, including HDMI 2.0 and the newest USB 3.2 standard with Gen1 and 2 support.

Processor: Intel Core i7 10750H 2.6GHz
