

### Keeps Your WA-87 Safe and Secure

Safeguard your Warm Audio WA-87 R2 large-diaphragm studio condenser microphone with this super-strong, low-weight aluminum flight case. Your mic will receive maximum protection, thanks to this case's rubberized foam interior, which is custom molded to accommodate all of the WA-87's components. At Sweetwater, we always advocate using high-quality cases for your gear, and we're confident that the WA-87 R2 Flight Case will keep your mic safe and secure.
