The LDT02-C06 is a family of elegant aluminum LCD VESA desk stands for 13"-23" monitors. It can support six monitors and the weight capability for each one is 8kgs/17.6lbs. The solid aluminum base ensures safety application. It can rotate for 360°, which allows portrait and landscape viewing. Its ball-joint structure allows smooth, effortless tilt motion for any direction, making it easy to reduce glare and find the perfect viewing angle. You can also adjust the monitor vertically to a desired position. Besides, it has a nice appearance. Cable clip is included for organizing cables.
