

DESCRIPTION:

The HERCULES H-Base Low Profile Mic Stand MS100B features the EZ Mic Clip, the Quik-N-EZ Height Adjustment Lever, and the HERCULES "H" Base. It is perfect for table top, kick drum, or any other low profile application.

FEATURES:

The Quik-N-EZ Height Adjustment Lever releases and locks into position with a touch of a button.

The Weighted HERCULES H-Base provides exceptional stability with space saving design.

The EZ Adaptor Flip Clip quickly secures mic clip in place and fits all standard size mic stands.
