

## PRODUCT HIGHLIGHTS

ClearOne's Dante wireless microphone system is the most economical, versatile, and easily scalable wireless system in the market today with unprecedented ease-of-use and simple installation. This newly released microphone system complements other professional audio products from ClearOne including CONVERGE® Matrix and CONNECT Dante bridge for CONVERGE Pro.

### Flexibility

- Reliable digital wireless system is the best for flexible spaces and upgrading existing areas without access to cable paths

### + Economical

- Cost-effective and flexible as one system can serve the wireless needs of up to six rooms

### + Scalability

- Provides up to 32 channels per RF band allowing channels to be added in the field to respond to future growth

### + Audio Quality

- From 20 Hz to 20 kHz very low-latency digital audio, enhanced through the Dante interface

### + Mixed Audio Outputs

- Balanced line or headphone output and the GUI can be used to send control signals to the main and mixed outputs

### + Multiple RF ranges

- M915: 902 MHz to 928 MHz
- M715: 710 MHz to 740 MHz
- M610: 603 MHz to 630 MHz
- M500: 486 MHz to 512 MHz
- M586: 573 MHz to 599 MHz
- M800: 793 MHz to 819 MHz
- M930: 917 MHz to 943 MHz

### EXTENSION ANTENNAS

- Mount: Wall mount, ceiling or mic-stand mount
- Connectors: Straight connectors
- Reception Pattern: 130 degree reception pattern
- Gain: Provides 15dB of RF gain (915MHz)
- Power: Phantom-powered from the receiver
- Dimensions: 6(h) x 4(w) x 2.5(d) inches
- Weight: .45 lbs (.20 kg)

Can be mounted using either a pole mount or wall mount

Perfect to be used with wireless microphone receiver

Get improved signals for your wireless microphone receiver with this antenna

## SPECIFICATIONS

### General Information

Manufacturer	ClearOne
Manufacturer Part Number	910-6005-011
Manufacturer Website Address	<a href="http://www.clearone.com">http://www.clearone.com</a>
Brand Name	ClearOne
Product Name	Extension Antenna Kit
Product Type	Antenna

### Technical Information

Frequency Band Type	UHF
Frequency	902 MHz to 928 MHz
Cable Length	50 ft

### Interfaces/Ports

Connector Type	TNC
----------------	-----

### Physical Characteristics

Form Factor	Pole/Wall
-------------	-----------

### Miscellaneous

Application/Usage	Radio Communication Wireless Microphone Receiver
Package Contents	Extension Antenna 50 ft Plenum Cable ClearOne WS800 Wireless Microphone System
Certifications & Standards	

## Overview

### ClearOne Extension Antenna Kit

902 MHz to 928 MHz - Wireless Microphone Receiver, Radio Communication Pole/Wall

ClearOne's Dante wireless microphone system is the most economical, versatile, and easily scalable wireless system in the market today with unprecedented ease-of-use and simple installation. This newly released microphone system complements other professional audio products from ClearOne including CONVERGE® Matrix and CONNECT Dante bridge for CONVERGE Pro.

**Flexibility**

Reliable digital wireless system is the best for flexible spaces and upgrading existing areas without access to cable paths

**+ Economical**

Cost-effective and flexible as one system can serve the wireless needs of up to six rooms

**+ Scalability**

Provides up to 32 channels per RF band allowing channels to be added in the field to respond to future growth

**+ Audio Quality**

From 20 Hz to 20 kHz very low-latency digital audio, enhanced through the Dante interface

**+ Mixed Audio Outputs**

Balanced line or headphone output and the GUI can be used to send control signals to the main and mixed outputs

**+ Multiple RF ranges**

M915: 902 MHz to 928 MHz

M715: 710 MHz to 740 MHz

M610: 603 MHz to 630 MHz

M500: 486 MHz to 512 MHz

M586: 573 MHz to 599 MHz

M800: 793 MHz to 819 MHz

M930: 917 MHz to 943 MHz

**EXTENSION ANTENNAS**

Mount: Wall mount, ceiling or mic-stand mount

Connectors: Straight connectors

Reception Pattern: 130 degree reception pattern

Gain: Provides 15dB of RF gain (915MHz)

Power: Phantom-powered from the receiver

Dimensions: 6(h) x 4(w) x 2.5(d) inches

Weight: .45 lbs (.20 kg)

Package Contents:

Extension Antenna

50 ft Plenum Cable
