

ClearOne 910-159-257 Specifications

Chat 70U USB Speakerphone with Call Control Compatible with MS Lync

Overview

The CHAT 70-U speakerphone is designed to provide crystal clear, full-duplex, HD audio for unified communications, VoIP and other audio conferencing applications in the home office or on the move. It features raised, push-button controls for speaker volume, mute and call On/Off hook. Incorporating ClearOne's HDConference technology, the CHAT 70-U delivers acoustic echo cancellation, noise cancellation and automatic gain control, all critical for natural, free-flowing conversation and clear, rich sound quality.

Compatibility

- ▶ Laptops
- ▶ PCs

Environmental Certification

- RoHS
- REACH

Miscellaneous

- ▶ Sleek enough for professional office environment, yet rugged enough to toss in your bag and take on the road
- ▶ Powered solely through laptop USB
