

ProductSheet  
**HP M27 Webcam Monitor (459J9AA)**

**Work. School. Fun. It all looks good from here.**

Welcome home to your window to the world. Top-quality picture with a 5MP camera, amazing sound and sleek design makes this elegant 27" monitor become the centerpiece of your connected daily life. It's designed for ease and simplicity without compromising quality so you can feel as good as you look. Hop from a call to a class to whatever else in stride and see the complete picture of it all.

**Look & Sound Better Than Ever**

Behold the new 27" conferencing monitor with an integrated 5 megapixel camera and behold...yourself. That's nearly twice the resolution of a standard webcam. Just hop on your call and hold on tight, the compliments will be coming in hot. Enjoy rich audio and a noise-cancelling and echo dual microphone so you can sound as good as you look. There's also a physical sliding camera cover so you can ensure your camera is off when you need it to be.

**Make Yourself Look & Sound Like Yourself**

Make yourself look as good as you should. HP Display Center gives you control of how you look and sound. Adjust camera settings and use the preview window to dial in your picture to perfection.

**Clear Desk. Clear Mind.**

Connect with success and disconnect from the mess with a simple setup. A seamless integrated conferencing set up using one USB-C®[1] cable. Easily connect your peripherals to the monitor's port hub, sleekly tucked in behind. Now that's the picture of simplicity.

**Featuring**

**Looks Good. Does Good.**

Both the display and stand are made with 85% PCR with 5% OBP and the packaging is sustainably sourced and recyclable. [3,4]

**Integrated speakers**

Get great audio built right in from the integrated speakers.

**HP Webcam**

Clear, smooth video chats so you can stay in touch with the whole family. [5]

**Adjust your view**

Adjust your screen's height for comfortable viewing with swivel and tilt capability.

**Easily personalize and adjust your display.**

Customize your display with easy, intuitive HP Display Center software that lets you tailor your settings, partition screens, and even dim the screen.
