DESCRIPTION

Protect your ESP Thin Line guitar with the Form Fit Case from ESP. This ultra-durable, stylish case is made from multi-ply wood and a tough tolex covering — protecting your guitar from the dings, dents, and dust of getting to and from the show. A plush interior is an added layer of protection for your guitar's surface and controls. Designed specifically for the ESP's Thinline Series guitars, the ESP CTLFF hardshell case is sure to provide your TL Series instrument with the utmost protection. The ESP CTLFF is formfitting, so your TL Series guitar won't get knocked around inside of the case, and its rugged, roadworthy construction makes it the perfect choice for the gigging musician.
