

The Klipsch Cinema 1200 Dolby Atmos Sound Bar + Surround Sound System brings sound to life from all directions, including overhead, to fill your home theater with astonishing clarity, detail, and depth.

SOUND AS BIG AS THE PICTURE

With 1200 watts of power, a 12" best-in-class wireless subwoofer, and integrated, discrete height speakers in the sound bar and surrounds, Cinema 1200 brings decades of professional cinema acoustic research to your home with the same power, dynamics, and detail as the movie theater.

SMART HOME COMPATIBLE

Cinema 1200 features built-in universal Wi-Fi that integrates simply with your existing Smart Home ecosystem - featuring Google Assistant, Amazon Alexa, and Spotify Connect.

BIGGER, BADDER BASS

[Klipsch](#) Cinema Series Sound Bars have the largest wireless subwoofers on the market. Bigger means cleaner, more powerful bass than anything you've experienced before.

ELEVATE THE EXPERIENCE

The Klipsch Cinema 1200 Dolby Atmos Sound Bar + Surround Sound System includes wireless surround speakers with integrated up-firing elevation speakers.

Also with integrated elevation speakers, this powerful sound bar handles all your media and delivers a full 7.1.4 Dolby Atmos mix automatically.

STATE-OF-THE-ART VIDEO

The Cinema 1200 Dolby Atmos Sound Bar System features HDMI-eARC and 8K video pass-through to deliver unparalleled quality and clarity from your premium TV and HDMI sources.

DOLBY VISION HDR COMPATIBLE

Dolby Vision HDR compatibility provides a remarkable color palette, sharper contrasts, and incredible brightness. The Cinema 1200 Dolby Atmos Sound Bar + Surround Sound System brings the highest standard of home cinema reproduction available on the market today.

PREMIUM MATERIALS

Crafted using real wood material, Klipsch Cinema Series Sound Bars are designed to look and sound like our signature Reference Series speakers.
