

Vi4 / Vi6 Script Tray Assembly

Console-Mountable Script & Document Tray Accessory for Soundcraft Vi Series Digital Consoles

01. PRODUCT OVERVIEW

The Soundcraft Vi Script Tray Assembly (SKU: A947.006000) is an essential ergonomic accessory designed specifically for Soundcraft Vi4 and Vi6 digital mixing consoles (also compatible across larger Vi Series surfaces).

It provides a sturdy, integrated, and non-reflective workspace surface positioned directly over the console surface to hold cue sheets, theatrical scripts, setlists, laptops, or tablets without obstructing controls or displays.

02. KEY FEATURES & HIGHLIGHTS

- Console Integration:** Precision-engineered to fit smoothly over the fader and screen sections of Vi Series control surfaces.
- Non-Reflective Surface:** Finished with a durable matte black anti-glare coating to minimize reflections under stage lighting.
- High Durability:** Constructed from lightweight, heavy-duty powder-coated aluminum to resist touring wear.
- Ergonomic Positioning:** Keeps essential show notes, cue sheets, and digital devices within direct line of sight.
- Rubberized Grip Pads:** Integrated non-slip rubber padding prevents slippage and protects console chassis finish.
