# INTRODUCING THE GALAXY TAB® S. BETTER BUSINESS TOOLS BUILD BETTER BUSINESSES.

PRESENTING TWO IMPACTFUL NEW WAYS OF DOING BUSINESS.

The Samsung Galaxy Tab® S elevates the customer experience, drives engagement and improves productivity at levels never before seen in a tablet. Pick it up, and you'll immediately feel the difference that being the thinnest and lightest tablet in the world makes. Turn it on, and you and your customers will see the brilliant impact of the super AMOLED display. It's an immersive, captivating experience that delivers richer, truer colors, and an experience that's second to none. Add enterprise-worthy features like KNOX enterprise-grade security, durable Gorilla Glass and a battery that lasts up to 11 long hours, and you have business tools that truly make a difference at every level of your business.

## The New Business Experience

### Captivate More Customers

- Super AMOLED display with 4-million pixel resolution delivers an unparalleled, immersive experience, with brighter, more accurate color and sharp, captivating detail
- Impactful presentation of information in two portable sizes: 10.5" and 8.4"

### Maximum Portability Means Maximum Engagement

- World's thinnest and lightest tablets in their class enhance mobility and work on the go, for more productive employees and more efficient work processes
- Gorilla Glass™ maximizes durability and protects your investment
- Durable, long-lasting battery (up to 11 hours<sup>1</sup>) means greater efficiencies in the field

### Powerful Productivity

- Powerful 1.9GHz Quad Core processor allows seamless multi-window functionality, for working with more applications at once

### Guaranteed Safe and Secure

- KNOX enterprise-grade security<sup>2</sup> provides data protection, for worry-free mobile transactions

<sup>1</sup>Battery life varies by use and configuration  
<sup>2</sup>KNOX Premium requires license fee
