

THD00402EU | Targus CLICK-IN CASE

The Targus Click-In Case is the perfect slim and light weight cover solution for your iPad2. It offers complete front and back protection. The front cover, not only transforms to a stand when needed, but also wakes up and puts iPad2 into sleep mode. While the front cover protects the screen, the form-fitting snap on back cover also protects the iPad2 against impacts and harm from the outside. The soft lining inside the case also protects the iPad2 body from any scratches. This case is a unique choice for full-on iPad protection without jeopardizing size, weight and style.

Front magnetic cover, wakes up and puts iPad to sleep, also transforms into a stand.

Designed to protect Apple® iPad™

Hard-shell design with soft interior microfiber materials.
