

Universal Monitor Stand

PA235E

Description

The Universal Monitor Stand allows you to regain valuable desktop space by elevating your external monitor to a more ergonomically correct height and housing your notebook computer and docking station in the same space that your monitor used to occupy. To access your notebook you simply pulling out the convenient sliding tray. The open architectural design provides quick access to all of your notebook computer's PC Card slots, bays, diskette and DVD/CD-ROM drives. The stand will support an external monitor weighing up to 40 Kg. It also includes a riser that will allow the customer to raise the monitor stand height (from 85 mm to 136 mm). This stand is perfect for the home or the office.

Features

- Saves valuable desktop space
- Elevates external monitor to a more ergonomic height
- Convenient slide-out tray
- Supports an external monitor weighing up to 40kg
