LG Life's Good

The Smart Solution for a Better Stay

Provide your guests with the smart solution for a better hotel stay. Stunning design improves the ambience in any hotel room while innovative TV technology offers customers easy-to-use and extensive options to improve their stay.

LX761H

Pro : Centric Smart (webOS 2.0)
• Easy Customization, SDK (HTML5, Java, Flash)

Smart Share
• DLNA, WiDi, Smart Mirroring, WiFi Direct

Easy Management & Usability
• Fast Booting Time ,Pro:Idiom, DIAL, EzManager,
  Remote Diagnostics,
  Magic Motion Remote Ready

Intuitive Experience

webOS 2.0 The webOS platform provides easy and convenient tools to create contents. Also, its intuitive user interface and fast response time offer incredible user experiences.

Features :
• Simple Customization
• Simple Connect
• Simple Management

Smart Customization

Users are able to select the apps and edit their own home menu with LG smart customization tools. It provides extended entertainment and convenience for guests.

Features :
• Pro:Centric Smart SDK (HTML, Java, Flash)
• Preloaded Applications
• History Auto Delete

Smart Connectivity

Cross display boundaries freely and without hassle. With LG SmartShare, mirroring and content sharing between TV and other smart devices are made incredibly easy and user-friendly.

Features :
• WiDi(PC to TV)
• Miracast(Mobile to TV)
• Bluetooth Sound Sync

Other Hospitality Features

Welcome Screen
Have a warm greeting message with a hotel name and its logo on the TV. Welcome screen leaves a favorable impression of the hotel on customers.

USB CLONING
Clone all commercial TVs with astonishing speed and ease. The USB Cloning feature allows you to simply copy the TV settings to all TVs in hotel rooms using a USB stick, a process that is fully automated to save time without having to set each TV individually.
External Speaker Out
The external speaker out function lets users enjoy the external speaker in a separate place such as the bathroom.

Instant ON
Instant on function's high speed loading system saves and enables users to enjoy the contents immediately when they first turn on the TV.
Soft AP
Soft AP means Software enabled Access Point. This "virtual" Wi-Fi feature executes by software working on the device to create a wireless hotspot.
∗ softAP should be set in installation menu after TV is on.
∗ Miracast may not be operated at the same time.

∗Hospitality features available without the use of the Pro:Centric® Server.

LG Life's Good

Pro:Centric Smart is an elaborate and smart mode of control and customization for commercial television. With the customizable tools including HTML5, Java, and Flash, users can optimize the commercial TVs according to their purposes with IP-based programs. This expansion of control provides premium hotel services to guests without the need for a set-top box. Additionally, it also offers guest-centric services such as a welcome page with the guests' name, auto language settings and billing information with Property Managemnet System(PMS) interface.

Pro:Centric Smart SDK

LG Pro:Centric SMART offers extended customizable tools; HTML5, Java and Flash. With these, the partners can optimize Commercial TVs to edit and develop their own enhanced service design. Also, it gives visual impact on and delivers messages to customers as users intend.

Customized UI&Service

Pro:Centric Smart TV — SI Server
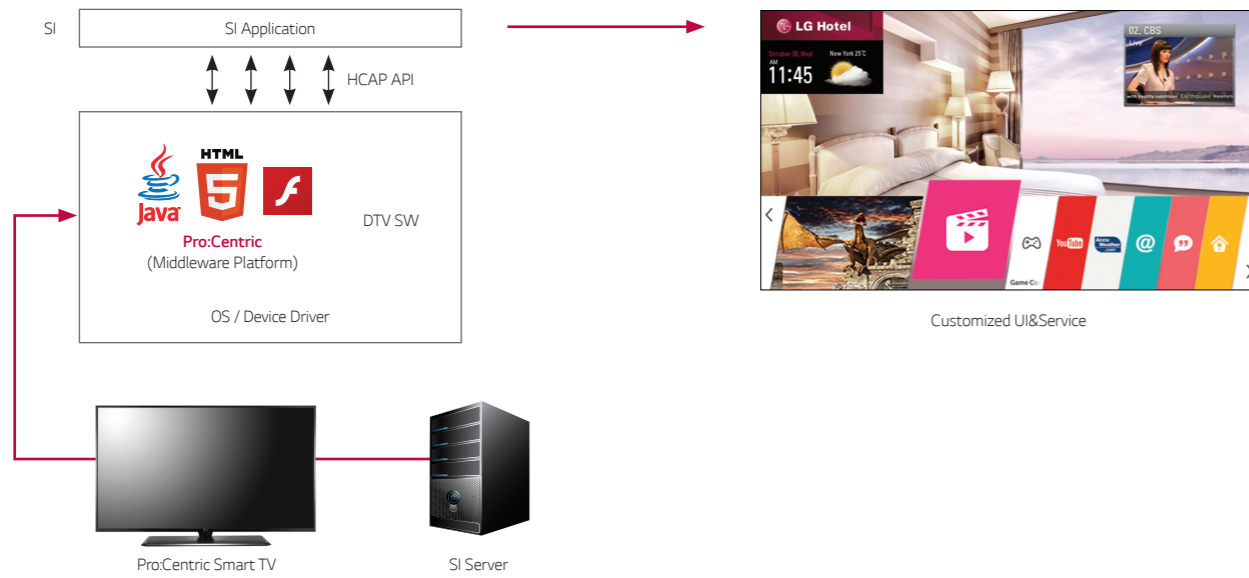

Enhanced Customer Experience

Personalize the page with the Pro : Centric® Applications(PCA) which improves guests' in-room experience as well as providing a variety of additional features conveniently just for your customers

Welcome Page
Language selection
Wake-up Setting
Weather Information
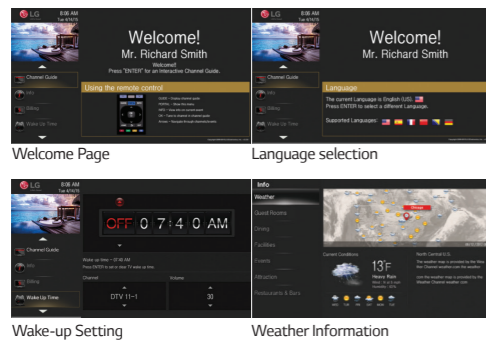

• **Personalized Pages**

When linked with the Property Management System, it provides a Welcome Page with the guest name, Auto Language Setting and Billing information with the guest's name.

• **Various Additional Features**

PCA serves the convenience of the guest through a Wake-up setting, Weather Information, Map Service, and much more functions that you can choose from

Easy Content Creation & Management

Pro:Centric® allows you to create your own contents and manage multi hotel channels which can be specialized for your property. It provides you a solution that easily cutomizable for your Hotel Service.
• **Customizable Pages**

8 sections with 40 pages of billboards can be made with the web based editing tool.

• **Hotel Channel Spooling**

Operation of up to 8 hotel channels can offer various information and added services.
