

EcoTank ITS printer L4160

Meet Epson's next generation, cartridge-free printer. This 3-in-1 with Wi-Fi Direct is easy-to-use, compact and offers double-sided printing.

Designed for your convenience, this cartridge-free EcoTank ITS printer comes with up to three years' worth of ink included¹. Providing a fantastic solution for busy households, this reliable and easy-to-use model features an enhanced ink filling system and new ink bottles engineered to minimise the risk of spills and mess. It also includes a 3.7cm LCD screen, an SD card reader and double-sided printing.

Cartridge-free printing

Go longer between refills with this EcoTank ITS printer. It uses ultra-high-capacity ink tanks to completely remove the need for cartridges.

Ultra-low cost

Three whole years¹ – that's how long you could go without buying more ink for the L4160. Giving you an extremely low cost-per-page, it produces up to 14,000 pages in black and 5,200 in colour with the included ink².

Discover the next generation

Thanks to the ink tank being positioned at the front of the printer, this new design is compact, provides easy access for refilling, and a clear view of the ink levels. It features an enhanced ink filling system engineered to minimise the risk of spills and mess. The new bottles incorporate a mechanism that ensures only the right tanks are filled with the corresponding colour. And with pigment black and dye colour inks, it produces prints with crisp, clear text and vivid colours.

Print from almost anywhere

With Wi-Fi and Wi-Fi Direct, your printer can receive documents to print from smart devices using the Epson iPrint³ app.

Quality results

With a Micro Piezo printhead, EcoTank provides a reliable printing solution. It offers a one year standard warranty, and up to three years with the promotional warranty⁵.

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. Three years' worth of ink based on average monthly print volumes of 290 pages for EcoTank ITS home and office printers. Calculations are based on the lowest bundled black ink yield for the following printers; L4150, L4160, L6160, L6170, L6190.

4. The comparable ink cartridge calculation is based on the lowest yield cartridge used in the top 20 competitive A4 inkjet printers according to the IDC EMEA Hardcopy Tracker (Data Q4 2016) in the period January 2016 – December 2016. The calculation was based on the competitors' standard cartridge yield divided by the average Epson ITS Ecotank printer's bundled yield.
