

Epson LQ-680 Pro

DATASHEET / BROCHURE

New-generation flat bed printer, incl. automatic changing of paper source and drum gap alignment

The new 24 dot-matrix LQ-680 and LQ-680 Pro printers from Epson. Improved technology, improved features at a low price. The ergonomic flat bed printers are ideal for endless forms and for normal and particularly heavy pr small single sheets, forms and labels. The LQ-680 Pro also offers an automatic paper direction change and a manual and automatic paper thickness setting.

KEY FEATURES

- Single sheet input from the front with the upper paper edge first
- Up to 0.0 mm upper and lower margin on single sheets
- Automatic monitoring of paper width so that print jobs are only printed onto the paper
- Maximum paper weight of 157 g/m²
- Minimum paper size of only 9 x 7 cm (width x height)
