

Epson PLQ-22 CS

DATASHEET / BROCHURE

An all-in-one device designed specifically to ease customer transactions in busy government and financial institutions such as banks and post offices.

The PQL-22 dot matrix passbook printer makes processing financial documents quick and easy, helping to reduce customer queues during busy periods.

Able to print at high speeds, the 24-pin, 94-column dot matrix printer can help cut total print time and improve the speed of every transaction – something both staff and customers will appreciate. Not only does it boost productivity, the PLQ-22 also provides high-quality scanned images giving a better-than-magazine-quality resolution of 600dpi

There is also a dedicated ID card insertion slot, optional built-in USB hub plus a high ribbon yield of 10 million characters, ensuring long-life, low total cost of ownership and dependability. And with the option of an MICR/MSRW head, this is the perfect printer for managing bank forms and financial documents.

Fast and productive:

Reduce the time a customer spends waiting in line and how long it takes to process paperwork. Customer transactions are completed quickly with the high speed scanner and improved transactional speed of the print head. Total cost of ownership is also minimised with a high ribbon yield of 10 million characters.

Colour Scanning:

Bank and post office workers can scan and electronically process a wide variety of financial forms and documents - including passbooks and cheques - with the high-speed, high resolution dual side colour scanner. ID cards can be scanned in the dedicated ID card slot, avoiding delays caused by ID skewing. There is also the option of infrared scanning which can remove unwanted background colours and graphics from documents.

Optional extras:

Get more from your passbook printer with additional features that include an MICR/MSRW head plus a 3-port built-in USB hub for easy connectivity.

KEY FEATURES

- **FAST PRINTING**
24-pin printer that prints up to 480 cps
- **IMPRESSIVE SCANNING**
600dpi high resolution, high speed duplex scanner
- **ROBUST AND RELIABLE**
MTBF of 10,000 POH
- **MICR AND MSRW**
Optional high recognition MICR/MSRW head
- **FLEXIBLE CONNECTIVITY**
Optional built-in 3 port USB hub

PRODUCT SPECIFICATIONS

TECHNOLOGY

Number of Pins	24 pins
Number of columns	94 columns
Printing Method	Impact dot matrix

PRINT

Printing Speed	HighSpeed-Draft: 10 cpi: 480 chars/s, Draft: 10 cpi: 360 chars/s, LQ: 10 cpi: 120 chars/s
Carbon Copies	6 plus one original
Printing Resolution	360 x 360 dpi

CONNECTIVITY

Interfaces	USB 2.0 Type B, Bidirectional parallel, RS-232
------------	--

PAPER / MEDIA HANDLING

Document Feed	Single sheet front, Paper output front
Paper Formats	Sheet Paper (single- and multi-layer)

GENERAL

Energy Use	64 W
Energy Star	No
Product dimensions	384 x 280 x 203 mm (Width x Depth x Height)
Product weight	8.2 kg
Compatible Operating Systems	Windows 7, Windows 8, Windows Vista, Windows XP, Windows XP x64
Mean Time Between Failures	10,000 Hours
Print Head Life	400 Million Strokes/Wire
Sound Pressure	Operation: 54 dB (A)
Memory	128 kB included
Ribbon Yield	5000000 characters Black LQ, 10000000 characters Black Draft

OTHER FEATURES

Emulations	ESC/P2, IBM PPDS, PR2
------------	-----------------------

OTHER

Warranty	12 months Carry in Optional warranty extension available
----------	---

LOGISTICS INFORMATION

SKU	C11CB01001A0
EAN code	8715946468440
Dimensions Single Carton	620 x 575 x 810 mm
Carton Weight	29.8 Kg
Country of Origin	Indonesia
Layer	32 Units
Layer Block	48 Units

Epson PLQ-22 CS

WHAT'S IN THE BOX

- User manual (CD)
- Power cable
- Ribbon
- Setup guide
- Warranty document

SUPPLIES

- Epson SIDM Black Ribbon Cartridge for PLQ-20/22, 3-Pack (C13S015339) (C13S015339)

OPTIONAL ACCESSORIES

- Epson SIDM Space Saving Kit for PLQ-20/22 series C12C802202
