

SureColor SC-F2000 (4C)

DATASHEET / BROCHURE

The SureColor SC-F2000 is the first Direct-To-Garment (DTG) printer from Epson, offering a complete design and textile printing package.

You can now print directly onto fabric, thanks to the SureColor SC-F2000's new ink, design software and printhead. With low total cost of ownership, it is reliable and productive and is ideal for printing directly onto t-shirts and bags. With its UltraChrome DG ink and Garment Creator software, this fabric printer gives you the opportunity to start making money fast.

High quality

Its single platen makes it easy to print onto fabric and its height is adjustable to achieve precise results on fabric up to 25mm thick. The printed area on fabric is soft, making t-shirts comfortable and hard wearing. Featuring Epson's PrecisionCore TFP printhead, with a resolution of up to 1440x1440dpi for accurate dot shape and placement, its wide colour gamut produces vibrant colours and smooth gradations.

Fast print speeds

This DTG printer can print a single t-shirt in 27 seconds¹ making production quick and easy.

UltraChrome DG ink

Epson's UltraChrome DG Ink comes in 600ml cartridges, and offers vivid colours that resist fading.

Flexible

The SC-F2000 prints on a wide range of media and a variety of textiles and comes with design software to easily create customised t-shirts.

Eco-friendly

Epson's UltraChrome DG ink has been awarded an ECO PASSPORT certification from OEKO-TEX^{®2}.

KEY FEATURES

- **Fast printing speeds**
Can print a single t-shirt in 27 seconds¹
- **Epson technology**
PrecisionCore TFP printhead, new design software and UltraChrome DG ink
- **High quality**
Resolution of up to 1440x1440dpi with vibrant colours and smooth gradations
- **ECO PASSPORT by OEKO-TEX[®]**
Epson's UltraChrome DG ink has been awarded Eco Passport certification
- **Flexible**
Prints directly onto fabric and has a wide colour gamut

PRODUCT SPECIFICATIONS

PAPER / MEDIA HANDLING

Print Area	Large Platen (16"x20"/406x508mm), Medium Platen (14"x16"/356x406mm), Small Platen (10"x12"/254x305mm), Sleeve Platen (4"x 4"/ 101 x 101mm)
Compatible Substrate Thickness	up to 25 mm
Duplex	No

TECHNOLOGY

Ink Technology	Ultrachrome® DG
----------------	-----------------

PRINT

Colours	Black, Cyan, Yellow, Magenta
Nozzle Configuration	720 Nozzles black, 720 Nozzles per colour
Ink tank capacity	600 ml
Minimum Droplet Size	21 pl

GENERAL

Energy Use	52 W, 20 W (economy), 10 W (standby), 0.5 W (Power off)
Supply Voltage	AC 100 V - 240 V, 50 Hz - 60 Hz
Product dimensions	1,207 x 1,595 x 490 mm (Width x Depth x Height)
Product weight	80 kg
Sound Power	Operation: 5.7 B (A)
Noise Level	Operation: 41 dB (A)

OTHER FEATURES

Memory	Printer: 512 MB, Network: 128 MB
Recommended Substrates	cotton 100%, blended materials with a minimum of 50% cotton
Maintenance system	White ink circulation system, Automatic wet fabric wiper system
Gap detection system	LED gap sensor
Features	Direct print from USB

OTHER

Interfaces	USB 2.0 Type B (2x), 10 Base-T
------------	--------------------------------
