# Videos, Music & Ideas on the Fly

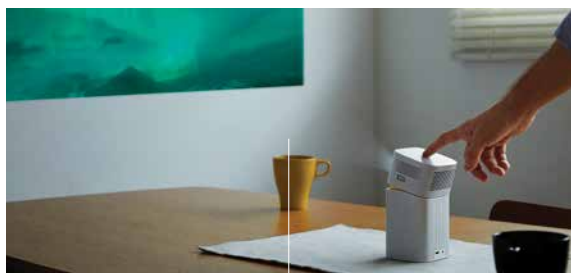

## Connectivity in an Instant

Wire-Free via Wi-Fi, Bluetooth or by itself. GV1 streams videos, games, or music via dual-band Wi-Fi and Bluetooth from your mobile, PC and laptop devices, making it truly cable-free. Even when there's no signal, it has its own Wi-Fi hotspot to stream wirelessly from your device's local storage.

## Auto Keystoning for Straight Images

When projecting at an upward angle, the image will be distorted into a trapezoid instead of a rectangle. Keystoning is a digital correction to keep images straight and square, and the GV1 does it automatically.

## Tilt Hinge for perfect placement

GV1 includes a convenient tilting hinge at its neck, letting you project to big picture at the perfect height to view comfortably. It's 15° range means that the 100" projected image can be raised up to 77cm (max.) above the level where GV1 is placed.

Specification	
Highlighted Features	Wireless projection for multiple OS and devices, USB-C™ DisplayPort and reader, 15° tilting lens and autokeystone, 3 hours battery life, independent Bluetooth speaker mode, columnar and modern design for limited spaces.
Projection System	DLP 3430
DMD type	0.2"
Resolution	854 x 480 pixels
Brightness	200 ANSI Lumens
Contrast Ratio*	100,000 :1
Display Colour	16.7 million colours
Aspect Ratio	Native 16:9 (5 aspect ratio selectable)
Light Source	Osram Q9 LED
Light Source life**	Normal 20,000 hours Economic 30,000 hours
Throw Ratio	1.3 (35" @ 1m)
Zoom Ratio	Fixed
Keystone Correction	ID, Vertical ± 40 degrees
Projection Offset	100% ± 5%
Projection Size (Clear Focus/Max.)	30" ~ 100"
Built-in Speaker	5W Chamber x 1
Interface	USB-C™ DisplayPort and Reader
Features	Wireless Projection (for iOS/macOS, for Android™ for PC), USB-C™ DisplayPort and Reader, 15° Tilting Lens and Auto Keystone, 3 hrs battery, Bluetooth Speaker
Resolution Support	VGA (640 x 480) to Full HD (1920 x 1080)
Typical Power Consumption (Max/Normal/Eco/Battery/Standby)	24W/16.7W/13.1W/0.5W
Standby Power Consumption	0.5W Max. at 100 ~ 240VAC
Power Supply	VAC 100 ~ 240 (50/60Hz)
Product Dimensions (WxHxD)	80mm x 155mm x 80mm
Product Weight	708g (1.6lbs)
Noise Level (Normal/Eco)	29dBA/28dBA
Operating Temperature	0~40°C
Accessories (Optional)	N/A
Accessories (Standard)	Power Adaptor x1, Plug set (depends on SKU), USB-C wire (for DP alt mode and data transfer) x1, Remote Control (RC1014), Quick Start Guide, Warranty Card (by region), Carry Bag
