

Small Office Shredder

40330 Dahle Professional Shredder

Proficiency best describes this Dahle Small Office Shredder with its ability to get the job done quickly and easily with minimal effort. Small offices or teams of employees will benefit from the ease of use and quiet operation of this small to mid-size shredder. It's perfect for destroying personnel records, client proposals and tax information.

Dahle's 40330 is built with a 10 ¼" feed opening to accommodate both letter and legal size paper with ease. This cross-cut machine offers a ½" x 7/16" particle size and is able to shred to security level P-6 standards. All you need to do is decide what document to shred and this Dahle Small Office shredder will take care of the rest.

This shredder features Automatic On/Off operation that uses an electronic sensor to turn the machine on. All you have to do is position your document in the feed opening and the shredder will take care of the rest. Bag Full Auto Off is another convenient function that notifies you when the shred bag is full and needs to be changed. It's these state-of-the-art features that saves

you time and takes the burden out of shredding your documents.

Energy conservation continues to be a top priority at Dahle. Each shredder comes equipped with the revolutionary SmartPower Energy Management System. This multi-stage system reduces power consumption after ten minutes of sitting idle (sleep mode), and completely powers down after an additional 20 minutes of inactivity. Dahle SmartPower will appeal to those interested in conserving energy as well as reducing electrical costs.

Dahle's shredders are German Engineered using the latest technology and finest materials. The end result is a quality machine and peace of mind in knowing your Dahle shredder will provide many years of trouble free operation.

Features

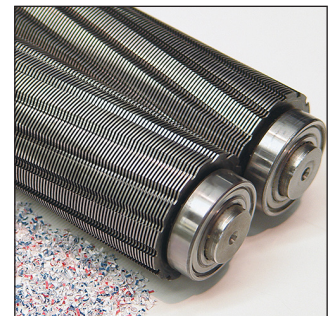

- Feed Opening: 10 ¼"
- Sheet Capacity: 6/8
- Shred Size: ½" x 7/16"
- Security Level: P-6
- SmartPower Management
- EvenFlow Lubricator

Built in EvenFlow Lubrication System evenly lubricates the cutting cylinders reducing the risk of a paper jam.

The easy-to-use command dial controls all of the shredder's functions such as power up, reverse, and continuous run.

Dahle High Security cutting cylinders reduce a sheet of paper to over 15,500 pieces.

Specifications

Model	Feed Width	Capacity #20 / #16	Security Level	Shred Size	Waste Volume	Speed	Decibel Level	Features/Capabilities					Dimensions	Weight	
								Staples/Clips	CDs / DVDs	SmartPower	CleanTEC®	Safe Tech			ESP
40330	10 ¼"	6 / 8	P-6	½" x 7/16"	23 gal	12 f/m	47 dB							34 ¼" x 21 ½" x 17 ½"	88 lbs

All performance data has been established using #20 / #16 bond 8 ½" x 11" paper. Different paper qualities may yield different results.
