

The home theater soundbar and streaming music speaker in one

PLAYBAR is the slim, sleek, beautifully-engineered soundbar that delivers great audio for all your movies, TV shows, sports, and games—and wirelessly streams your favorite music, too.

- Two-in-one. Adds full-theater sound for your TV. Streams music, too.
- Simple two-cord setup. One for power. One for your TV.
- Works with your existing TV remote.
- Syncs wirelessly with SUB and two PLAY:1s for 5.1 surround sound.
- Exclusive Trueplay tuning. For the best sound possible, wherever you place your speaker
