The logo for Fellowes, featuring the brand name in a stylized, bold, white font with a black outline, set against a yellow background with a black border.

The AutoMax™ 300C Cross-Cut paper shredder from Fellowes brings you truly walk-away, hassle-free document destruction.

SureFeed™ Technology enables a walk-away shredding experience of up to 300 sheets of paper with no prior preparation – including folded, crumpled, stapled or paper clipped paper with minimal intervention. Simply load the drawer, push the button and walk away. It's that really....

The AutoMax™ 300C is designed for small offices and 3- 5 users.

#### Paragraph Copy

JamGuard System™ prevents shredding interruptions for jam free operation. SmartLock™ engages with each shred cycle to protect confidential information, automatically locking the paper drawer preventing access whilst shredding is in progress and a Sleep Mode shuts down the shredder after 2 minutes of inactivity.

The 300C shreds the sheet capacity load in just 12 minutes into 4 x 38mm cross-cut particles (Security Level P-4) providing a higher level of protection against identity fraud. It comes with a generous 60 litre pull-out waste bin for easy waste disposal can also shred staples, credit cards, paperclips and CDs.
