

## **Sentry MSW0809 Fire & Water Proof Digital and KeyLock Safe:**

The Sentry MSW0809 is a compact safe which offers 60 minutes Fire protection for CD's, DVD's and USB's with a 24 hour water resistance verification. The safe is fitted with a high security digital electronic lock and a secondary tubular key lock as well as a 4 bolt locking system for additional security. With a supplied optional floor bolting kit, the MSW0809 is an ideal safe for fitting in businesses or residential properties. As the safe is totally airtight Sentry recommend airing the safe regularly to prevent moisture build up.
